WORK EXPERIENCE

[Vietmedia PTE \(Mar 2006 - Dec 2006\)](#) - Web Designer

Work with a team of designers and developers, our projects were mostly Flash-based. I even designed a site for Ngo Thanh Van (a Vietnamese popular actress / model).

[The Gioi So Magazine \(Jan 2007 - Feb 2007\)](#) - Graphic Designer

This is where I started to accumulate the experience in printing design.

[NhanCorp \(May 2008 - Oct 2010\)](#) - Graphic Designer / Web Designer

A hybrid role, which I had chances to work with some big brands such as Tiger Beer Vietnam, Sony Ericsson, Vinalink, Luat Viet, Viet Tan Studio. The projects included animations, brochures, posters, ads, logos and websites. I even did web design for My Tam (popular singer) & Unlimited (Vietnam's favourite rock band).

[Evil Genius Technologies \(Mar 2013 - Jun 2013\)](#) - UI/UX Designer / Web Designer

This is where I started to learn about WordPress and Responsive Design. The projects included Word-Press themes, UI/UX for iOS Apps.

[Stage Group \(Aug 2015 - Sep 2016\)](#) - Team Leader / Web Designer

I've had the opportunity to work on projects from Japan and have a good experience with awesome Japanese staff.
